Most chicks, keets, poults, ducklings sold un-sexed. Chicken prices unless obvious rooster is determined are priced as stated.								
Use your own due diligence to determine if male or female. We are not sexing experts & no guarantee is made regarding sex.								
No refunds. No exchanges. Purchase is considered a donation to the Sanctuary.								
We do assure you that parent birds are happy, healthy birds. Request pictures of adult birds if desired. Visitations are extremely limited								
in poultry area due to current agriculture dept required Avian Influenza precautions.								
Thank you for supporting our poultry program. Enjoy your birds!!!								
** Poultry generally available March through August. Fall hatchings available by preorder until.
